• **Review of Process:**
• Fill the page
• How did you choose your title or question?
• Did the title or the focus of your project change as you went along?
• Address what was in your outline plan
• Did you encounter any difficulties or challenges in the approach? (finding sources, gathering information, organising ideas, planning essay, reading, writing etc...)
• Did you achieve your aims? Be specific
• Problems that were specific to your topic.
• Skills that you acquired, say how you gained/developed those skills
• What would you do differently
• What surprised you? (about the topic or working on the research study report)
• What was sad, funny, controversial?
